ITEM: 4

SUBJECT: Discussion/Action to approve the revised training funding

expenditure plan for PY2024-2025

FROM: Priscilla Lopez, ICWED Director

RECOMMENDATION:

ICWED Director recommends the approval of the revised PY2024-2025 WIOA Training Expenditure Plan in the amount of \$2,613,559 which exceeds the required 30 percent minimum training expenditure amount of \$1,503,220 for PY24-25.

BACKGROUND:

At the June 26, 2024, Executive Committee, a PY2024-2025 WIOA Training Expenditure Plan was approved in the amount of \$2,458,535.

In August 2024, the ICWDB received waivers approved by the California Workforce Development Board, providing greater flexibility for training activities. These waivers increased the maximum reimbursement rate for On-the-Job Training (OJT) from 75% to 90% of employees' wages, and expanded the focus on Transitional Jobs (TJ) by allowing up to 30% of WIOA Adult and Dislocated Worker Funds to be allocated to TJ activities, compared to the previous 10%. As a result, the expenditure plan was revised to allocate additional funds to OJT and TJ programs, enabling more participants to be enrolled.

Additionally, due to the increased focus on TJs, funding for Work Experience was reduced because those expenditures do not count towards the 30% training expenditure requirement.

The updated PY2024-2025 Training Expenditure Plan is on the following page and totals \$2,613,559, which exceeds the required 30% minimum training expenditure amount of \$1,503,220 for PY24-25.

ICWDB Chair signature

FROM: Priscilla Lopez, ICWED Director

RECOMMENDATION:

ICWED Director recommends the approval of the AJCC Certification and authorize ICWDB Chair signature to submit the document to the California Workforce Development Board.

BACKGROUND:

On August 12-13, 2024, David Shinder, Professional Workforce Development Consultant, conducted an in-person site review as part of the AJCC Certification process. This review assessed the compliance of the three AJCC locations in El Centro, Calexico, and Brawley with state and federal guidelines, as well as their operational effectiveness and service delivery to the community. A final report detailing the current status of the AJCCs and identifying potential areas for improvement is being drafted and will be submitted by or before the October 23, 2024, meeting.

Approval of the AJCC Certification will authorize the ICWDB Chair to sign the certification document, which will then be submitted by staff before the November 1, 2024, deadline.
