Action Agenda

4. Discussion/Action regarding WIOA training funding expenditure plan for PY2024-2025

Jeff Burquist, Analyst III, introduced the item, and reported that in August, two waivers were received from the state relating to more flexibility for Transitional Jobs and On-the-Job Training (OJT) programs. The waivers raised the maximum reimbursement rate for OJT from 75% to 90% of employees' wages and increased the allowable Transitional Jobs expenditures from 10% to 30% of Adult and Dislocated Worker Formula Funds. Given the success of both programs, the plan was revised to allocate additional funds to these programs. As a result Adult Work Experience (WEX) expenditures was recommended to be reduced since WEX does not count toward the training expenditure requirement per WSD18-10. The revised plan totals \$2,613,559, exceeding the required minimum of \$1,503,220.

Motion: A motion was made by Robert Rubio and seconded by Elvira Anaya to approve the revised PY2024-2025 WIOA Training Expenditure Plan in the amount of \$2,613,559, exceeding the required 30 percent minimum training expenditure amount of \$1,503,220 for PY24-25. There were no opposed and there were no abstentions.

Action: The motion carried unanimously.

5. Discussion/Action regarding AJCC Certification submission in accordance with Workforce Services Directive 23-05 and authorize ICWDB Chair signature

ICWED Director Priscilla Lopez introduced the item, sharing that a two-day on-site review was recently conducted by Professional Workforce Consultant David Shinder at the AJCCs in El Centro, Calexico, and Brawley. The AJCC Baseline Certification and Indicator Assessments, in accordance with WSD 23-05, were completed and presented for review. The assessments provided feedback on operational effectiveness and community service delivery, identifying areas for potential improvement within each Hallmark of Excellence indicator.

Motion: A motion was made by Mark Gran and seconded by Elvira Anaya to approve the AJCC Certification and to authorize ICWDB Chair Erik Freeman signature to submit the document to the California Workforce Development Board. There were no opposed and there were no abstentions.

Action: The motion carried unanimously.

6. Discussion/Action regarding No-Cost Extension to the Registered Nurse Mentorship XII (12) Program with Imperial Valley Regional Occupational Program (IVROP)

ICWED Director Priscilla Lopez introduced the item and informed the board that IVROP was requesting the no-cost extension to continue providing needed NCLEX training for program participants, as well as continued follow-up and job placement services through December 31, 2024. The formal request from IVROP addressing the request along with a modified budget period of January 1, 2023 to December 31, 2024 was included in the agenda packet for review.

Motion: A motion was made by Ruth Duarte and seconded by Elvira Anaya to approve the request for a no-cost extension through December 31, 2024, for the Registered Nurse Mentorship Program provided by IVROP. There were no opposed and there were no abstentions.

Action: The motion carried unanimously.

7. Discussion/Action regarding contract renewal of the One Stop Operator Agreement for Services with ProPath Inc. in an amount not to exceed \$75,000

ICWED Director, Priscilla Lopez, introduced the item and recommended that the contract with ProPath Inc be renewed for the period of January 1, 2025 through December 31, 2025, at a cost not to exceed \$75,000. Ms. Lopez noted that ProPath has been the AJCC Operator for Imperial County since 2020. The scope of work includes, but is not limited to, AJCC Supervisor mentor services, monthly staff meetings and quarterly partner meetings, business services review and enhancements.

Motion: A motion was made by Timothy Kelley and seconded by Elvira Anaya to approve a contract renewal with ProPath Inc. in an amount not to exceed \$75,000 to provide One Stop Operator services. There were no opposed and there were no abstentions.

Action: The motion carried unanimously.

Baccalaureate Degree in Industrial Automation

Creating a 4 -Year Pathway:

- Builds on existing Lithium Industry Force Training (LIFT) certificate programs and new Associate's degree in Industrial Automation Systems
- Provides seamless transition for IVC students to earn a Bachelor's degree
- Aligns with Imperial County's evolving economic landscape

Imperial County's Economic Transformation:

- Traditionally agricultural
- Expanding into renewable energy and sustainable mineral extraction

Salton Sea Geothermal Resource Area:

- Estimated 15 million metric tons of lithium
- Potential to meet national lithium demands
- Emergence of "Lithium Valley"

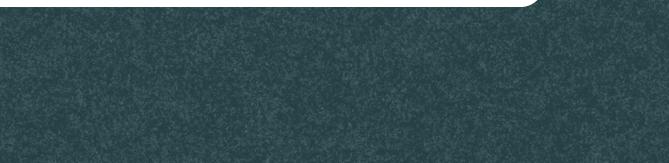

- Long-term economic growth
- Prepares students for high-demand careers in industrial automation
- Supports local economic development
- region

Benefits:

- New job opportunities
- Skilled workforce for emerging industries

Why It Matters:

• Enhances educational opportunities in the

Baccalaureate Degree in Industrial Automation

- Currently 38 California Community Colleges with Baccalaureate Programs
- Modeling after Bakersfield College
- Review Process:
 - A few months for review
 - Applications that receive a qualifying score are awarded either conditional or provisional status (pending Accrediting Commission for Community and Junior Colleges (ACCJC) approval and/or an intersegmental agreement and the Board of Governors' full approval). Imperial County Workforce Development Board Executive Committee Action Agenda Item 5

MEETING DATE: December 11, 2024

ITEM:

SUBJECT: Discussion/Action to approve the first agreement renewal for the WIOA Registered Nurse Mentorship Program with Imperial Valley Regional Occupational Program (IVROP) at a cost not to exceed \$577,500

RECOMMENDATION:

ICWEDO Director recommends to approve the first agreement renewal of the WIOA Registered Nurse Mentorship Program with IVROP at a cost not to exceed \$577,500.

BACKGROUND:

On January 24, 2024, the Imperial County Workforce Development Board approved an agreement with the Imperial Valley Regional Occupational Program (IVROP) for a Registered Nurse (RN) Mentorship Program. This agreement, covering February 1, 2024, through June 30, 2025, allocated up to \$550,000 to serve approximately 56 to 66 final-semester RN students at Imperial Valley College (IVC) across two semesters: Spring 2024 and Fall 2024. The program included 320 hours of comprehensive training—covering theory, skills application, clinical mentoring, NCLEX review, and simulations—and provides up to 12 months of job placement and follow-up support to ensure student success in coursework completion and RN employment.

With a new cohort of final-semester RN students at IVC set to begin in Spring 2025, followed by another in Fall 2025, IVROP is requesting a renewal of the agreement for the period from January 1, 2025, through June 30, 2026, at a cost not to exceed \$577,500. Per the ICWDB's Request for Proposals, the agreement may be renewed for up to two additional 18-month periods, contingent on available funding, program outcomes, and performance metrics.

Approving this renewal would enable IVROP to support 76 to 88 new fourth-semester RN students from Imperial County by providing access to employment, education, training, and support services, enhancing their long-term career prospects in the healthcare field.

Further details on the program, staffing, and budget are included in IVROP's attached request.

Subject: Request for contract renewal for the local WIOA Registered Nurse (RN) Mentorship Program Fiscal Year 2025 - 2026

Dear Ms. Lopez,

Imperial Valley Regional Occupational Program (IVROP) respectfully requests the renewal of the Workforce Innovation and Opportunity Act (WIOA) IVROP – Registered Nurse (RN) Mentorship program contract for the period of January 1, 2025, through June 30, 2026. If this contract renewal is approved, IVROP would continue to provide follow-up services to participants enrolled in the 2024–2025 local WIOA IVROP RN Mentorship program and will provide 76 to 86 new 4th semester RN students of Imperial County assistance in accessing employment, education, training, and support which will improve their long-term labor employment opportunities. This request is in response to the 2024-2025 RN Mentorship Request for Proposal which indicates Imperial County reserves the right to extend the term of the RN Mentorship contract for up to two (2) successive one (1) year periods, subject to available funding and performance as well as approval granted by the Imperial County Workforce Development Board following WIOA regulations.

IVROP – RN Mentorship is proposing to increase the number of students served from the current program year (55 – 65) to 76 - 86 new 4th semester RN students for program year 2025 – 2026. This increase in proposed participants to be served is due to more 4th semester RN students being eligible for the program from both Imperial Valley College (IVC) and newly obtained partner San Diego State University (SDSU)-Imperial Valley Campus. If granted, this contract renewal would be in effect during the 2024 – 2025 and 2025 - 2026 fiscal years serving two cohorts of 4th semester RN students. In preparing our proposed budget, we have carefully incorporated all essential elements needed to operate a successful program including appropriate staffing needs to achieve program targets, required activity supplies for staff and participants, miscellaneous operational costs, and participant stipends for the completion of programmatic milestones. The total budget necessary to operate the RN Mentorship program would be \$577,500, including follow-up services. This requested amount is a 5% increase from our previous allocation in 2024. This requested increase is due to several reasons including 21 more potential participants that will receive program services during FY 25-26, a Cal-PERS increase of 1.7%, an indirect cost increase of 4.4%, rent, maintenance and utilities increase of 5%, and a health insurance increase of 25%. Program staff will consist of one (1) part-time (.02 FTE) program coordinator, one (1) part-time (.30 FTE) program manager, one (1) part-time (.03 FTE) data manager, two (2) full-time (2.0 FTE) development specialists, and one (1) part-time (.30 FTE) program clerk. IVROP will continue to incorporate enhanced data management services into the RN Mentorship program through the work of

a part-time (.03 FTE) data manager. The data manager position captures and reports summative and formative data to the funder to provide continuous improvement to the project.

The IVROP-RN Mentorship program is proposing to offer 76 to 86 WIOA eligible adults a total of 320 hours of NCLEX training, job readiness, and support services including: lectures on theory, skills, clinical mentoring, coaching, National Counseling Licensure Examination (NCLEX) training and simulations; 120 hours of incentivized internship training at various hospitals and clinics; case management support (throughout participation); ongoing job readiness coaching and life skills workshops; supportive services related to the registered nursing profession; follow-up services for up to 12 months, and job placement services for participants who complete their course of instruction (upon NCLEX completion and via follow-up). Job readiness coaching and workshops will be provided to participants as part of their workforce preparation and employment retention training. Job readiness workshops will consist of developing an employment portfolio, job search methods, interview skills, professionalism, job retention, communication in healthcare environments, principles of functioning as a healthcare team, working in a deadline driven workplace, and customer service. These job readiness skills will serve as imperative tools for participants as they begin to search for employment opportunities post-graduation and successful NCLEX completion.

IVROP will continue to offer optional in-kind services to participants that will include life skills workshops in financial literacy, family relationships, parenting, developmental assets, first time home buyer, and life coaching services. Mock interview sessions will continue to be provided to participants by IVROP staff with questions exclusively tailored to the nursing profession. Mock interview workshops will serve as a beneficial training tool for RN students to prepare for post-graduation employment opportunities. Finally, presentations by health care administrators and professionals from local hospitals and clinics will continue to be delivered to participants throughout the program discussing topics such as industry trends (including technology, equipment, and emerging treatment methods), professional development, management opportunities, and the outlook of advancement within the nursing field. These presentations will serve as an excellent opportunity for participants to network with top-level administrators from various organizations throughout Imperial County.

IVROP staff will continue to collaborate closely with Imperial County Workforce and Economic Development Office staff to ensure that the project performance is meeting and complying with the required performance standards and that the program is operating successfully based on summative and formative data collection methods. Our collaborative efforts will result in improved access to employment, education, training, and support to Imperial County Registered Nursing students.

In advance, thank you for considering this request and for supporting the long-term labor market opportunities for the future healthcare workforce of Imperial County.

Respect/ful

FOR EDWIN P. OBERGFELL

ITEM:

SUBJECT: Discussion/Action to approve the second agreement renewal for the WIOA Licensed Vocational Nurse Mentorship Program with Imperial Valley Regional Occupational Program (IVROP) at a cost not to exceed \$362,730

RECOMMENDATION:

ICWEDO Director recommends to approve the second agreement renewal of the WIOA Licensed Vocational Nurse Mentorship (LVN) Program with IVROP at a cost not to exceed \$362,730.

BACKGROUND:

On June 12, 2023, the ICWDB approved the first renewal of the Licensed Vocational Nurse (LVN) Mentorship Program agreement with Imperial Valley Regional Occupational Program (IVROP), covering the period from July 1, 2023, through December 31, 2024, at a cost not to exceed \$338,108. This program aimed to serve 16 to 21 third-semester LVN students by providing support in accessing employment, education, training, and related services. As of PY23-24, 15 students have successfully enrolled, completed the program, and secured employment.

With the program concluding December 31, 2024, IVROP has requested a second renewal of the WIOA LVN Program for the period of January 1, 2025 through June 30, 2026 at a cost not to exceed \$362,730. Within the Request for Proposals that was approved for release at the September 22, 2021, ICWDB meeting, the ICWDB reserves the right to renew the agreement for up to two successive 18 month periods, subject to available funding, program outcomes and/or performances.

Approving the renewal of the agreement would allow IVROP to provide 20 to 24 new 3rd semester LVN students assistance in accessing employment, education, training, and support which will improve their long-term labor opportunities.

Detailed program, staffing, and budgeting information can be found in IVROP's request that is attached as background for this item.

Subject: Request for contract renewal for the local WIOA Licensed Vocational Nurse (LVN) Mentorship Program Fiscal Year 2025 - 2026

Dear Ms. Lopez,

Imperial Valley Regional Occupational Program (IVROP) respectfully requests the renewal of the Workforce Innovation and Opportunity Act (WIOA) IVROP–Licensed Vocational Nurse (LVN) Mentorship program contract for the period of January 1, 2025 through June 30, 2026. If this contract renewal is approved, IVROP would continue to provide follow-up services to participants enrolled in the 2023–2024 local WIOA IVROP LVN Mentorship program and will provide 20 to 24 new 3rd semester LVN students of Imperial County assistance in National Counseling Licensure Examination – Practical Nursing (NCLEX-PN) education and training, accessing employment, and support which will improve their long-term labor opportunities. This request is in response to the 2022-2023 LVN Mentorship Request for Proposal which indicates Imperial County reserves the right to extend the term of the LVN Mentorship contract for up to two (2) successive one (1) year periods, subject to available funding and performance as well as approval granted by the Imperial County Workforce Development Board following WIOA regulations.

During program year 2023 – 2024, 15 students have successfully enrolled, completed, and obtained employment while participating in the IVROP-LVN Mentorship program. For program year 2025 - 2026, IVROP-LVN Mentorship is proposing to serve 20 - 24 new 3rd semester LVN students. If granted, this contract renewal would be in effect during the 2024 - 2025 and 2025 - 2026 fiscal years. In preparing our proposed budget, we have carefully incorporated all essential elements needed to operate a successful program including appropriate staffing needs to achieve program targets, required activity supplies for staff and participants, miscellaneous operational costs, and participant stipends for the completion of programmatic milestones. The total budget necessary to operate the LVN Mentorship program over a period of 18 months would be \$362,730 including follow-up services. This requested amount is a 7% increase from our previous allocation in 2023. This requested increase is due to several reasons including 9 more potential participants that will receive program services during FY 25-26, a Cal-PERS increase of 1.7%, an indirect cost increase of 4.4%, rent, maintenance and utilities increase of 5%, and a health insurance increase of 25%. Program staff will consist of one (1) part-time (.02 FTE) program coordinator, one (1) part-time (.20 FTE) program manager, one (1) part-time (.03 FTE) data manager, one (1) full-time (1.0 FTE) development specialist, one (1) part-time (.05 FTE) development specialist, and one (1) part-time (.25 FTE) program clerk. IVROP will continue to incorporate enhanced data management services into the LVN Mentorship program through the work of a part-time (.03 FTE) data

manager. The data manager position captures and reports summative and formative data to the funder to provide continuous improvement to the project.

The IVROP-LVN Mentorship program is proposing to offer 20 to 24 WIOA eligible adults a total of 320 hours of NCLEX-PN training, job readiness, and support services including: lectures on theory, skills, clinical mentoring, coaching, National Counseling Licensure Examination – Practical Nursing (NCLEX-PN) training and simulations; 120 hours of incentivized internship training at various hospitals and clinics; case management support (throughout participation); ongoing job readiness coaching and life skills workshops; supportive services related to the vocational nursing profession; follow-up services for up to 12 months, and job placement services for participants who complete their course of instruction (upon NCLEX-PN completion and via follow-up). Job readiness coaching and workshops will be provided to participants as part of their workforce preparation and employment retention training. Job readiness workshops will consist of developing an employment portfolio, job search methods, interview skills, professionalism, job retention, communication in healthcare environments, principles of functioning as a healthcare team, working in a deadline driven workplace, and customer service. These job readiness skills will serve as imperative tools for participants as they search for and enter employment postgraduation and successful NCLEX-PN completion. Newly licensed LVN's require more job placement services than Registered Nurses (RN) due to LVN employment vacancies being limited to specialized medical facilities. For this reason, additional job placement services including job leads, job coaching, and job interviews will be provided to LVN participants to ensure they are provided with tangible employment opportunities through the LVN Mentorship program.

IVROP will continue to offer optional in-kind services to participants that will include life skills workshops in financial literacy, family relationships, parenting, developmental assets, first time home buyer, and life coaching services. Mock interview sessions will continue to be provided to participants by IVROP staff with questions exclusively tailored to the nursing profession. Mock interview workshops will serve as a beneficial training tool for LVN students to prepare for post-graduation employment opportunities. Finally, presentations by health care administrators and professionals from local hospitals and clinics will continue to be delivered to participants throughout the program discussing topics such as industry trends (including technology, equipment, and emerging treatment methods), professional development, management opportunities, and the outlook of advancement within the nursing field. These presentations will serve as an excellent opportunity for participants to network with top-level administrators from various organizations throughout Imperial County.

IVROP staff will continue to collaborate closely with Imperial County Workforce and Economic Development Office (ICWEDO) staff to ensure that project performance meets and complies with the required performance standards and that the program is operating successfully based on summative and formative data collection methods. Our collaborative efforts will result in improved access to employment, education, training, and support to Imperial County LVN students.

In advance, thank you for considering this request and for supporting the long-term labor market opportunities for the future healthcare workforce of Imperial County.

Respectfull

FOR EDWIN P. OBERGFELL

Imperial County Workforce Development Board Executive Committee Action Agenda Item 7

MEETING DATE: December 11, 2024

7

ITEM:

SUBJECT: Discussion/Action regarding support and endorsement of Imperial Valley College's Application for a Bachelor's Degree Program in Industrial Automation to the California Community Colleges Chancellors Office

FROM: Priscilla Lopez, ICWED Director

RECOMMENDATION:

ICWED Director recommends approving the revised ICWDB Bylaws as presented.

BACKGROUND:

Five amendments to the ICWDB Bylaws are proposed for approval to maintain leadership continuity, ensure compliance with WIOA Section 107(b)(3) regarding WDB Chair requirements, and support standing committees. Proposed changes are underlined and highlighted in red below:

4.2.1 EXPIRATION OF MEMBERS TERMS. Upon completion of the three-year appointment, a ICWDB member may be reappointed by the Supervisors. <u>A member whose term has ended may continue to serve until reappointed or replaced by Supervisors.</u>

8.4 ELECTION OF OFFICERS. At the last ICWDB meeting of each Business Year, the slate of nominees shall be presented to the Members. Any Member may present nominees from the floor. The Members shall then vote for one nominee for each office. The member with the highest number of votes shall be elected to the applicable office. In the event of a tie vote, the winner shall be determined by lot. *"If elections are not held at the end of the Business Year, all current Officers shall continue in their roles until elections are conducted at the first regular ICWDB meeting of the new Business Year."*

9.1 OTHER STANDING COMMITTEES. Standing Committees consist of the ICWDB Business and Planning Committee, ICWDB One Stop Policy Oversight Committee, the ICWDB Youth Committee, and the Budget and Finance Committee. Upon recommendation by the Chair or a majority of the Executive Committee and approval by the ICWDB, additional standing committees may be established or eliminated. The Executive Committee and Standing Committees shall have a minimum of five (5) and a maximum of seven (7) members. Standing committees may include non-ICWDB members provided that the majority of such committees shall consist of ICWDB members, unless otherwise determined at the time of establishment of such committees.

9.4 COMMITTEE MEMBERS' TERMS. The term for Members serving on any standing committee other than the Executive Committee (whose committee seats are specific to their titles) shall terminate at the end of each Business Year. The terms of ad hoc committee members shall terminate upon termination of the committee by the Executive Committee. While this section prescribes the terms for all standing committee members other than the Executive Committee, committee members may be reappointed to one or more successive terms. "Members serving on any standing committee, except the Executive Committee (whose seats are tied to specific titles), shall continue their terms through each Business Year unless they request removal or become ineligible to serve on the committee. The terms of ad hoc committee members shall conclude when the committee is dissolved by the Executive Committee. While this section defines the terms for all standing committee members other than those on the Executive Committee, members may be reappointed to consecutive terms without a break in service."

CERTIFICATION

The foregoing revised Bylaws were approved by a majority vote of the Imperial County Workforce Development Board at its regular meeting held at <u>1250 Main Street, El Centro,</u> <u>California, on December 11, 2024</u>, and is subject to final approval by the Imperial County Board of Supervisors.

BYLAWS OF

THE IMPERIAL COUNTY WORKFORCE DEVELOPMENT BOARD

A Department of the County of Imperial, State of California Approved by the Imperial County Workforce Development Board in September 25, 2019 Commented [VC1]: Pending new amended date

> ARTICLE I OFFICES

1.1 PRINCIPAL OFFICE. The principal office of the Imperial County Workforce Development Board ("ICWDB") for its transaction of business is located in the City of El Centro, County of Imperial, in the State of California.

1.2 CHANGE OF ADDRESS. The Board of Directors is hereby granted full power and authority to change the principal office of the ICWDB from one location to another in the County of Imperial, California. Any such change shall be noted by the Secretary in these Bylaws but shall not be considered an amendment of these Bylaws.

ARTICLE II STATUS OF THE ICWDB

2.1 CREATION OF THE ICWDB. On June 5, 2007, by order of the Imperial County Board of Supervisors (the "Supervisors"), the Private Industry Council of Imperial County, Inc., doing business as the Imperial County Workforce Investment Board, a California non-profit corporation, ceased operations. In its place, acting pursuant to the Workforce Investment Act (WIA) of 1998, as amended ("The Act"), the Supervisors established the Imperial County Workforce Development Office (ICWDO) as a department of the County of Imperial, reserving to themselves the full authority and responsibility for fulfilling the purposes of The Act and vesting in the ICWDB recommending authority with respect to such action. On July 22, 2014, the Workforce Innovation and Opportunity Act (WIOA) was signed into law, concluding the reauthorization of WIA. WIOA replaces WIA and will be in effect from 2015-2020.

26

2.2 PROSCRIBED ACTIVITIES. The ICWDB shall not separately engage in any activity, exercise any power, expend any funds or incur any obligations independent of its authority as a County Department, as prescribed by the Supervisors.

ARTICLE III PURPOSES

3.1 OBJECTIVE. The ICWDB shall assist the Supervisors in achieving their mission, as prescribed by the Act, by identifying and recommending actions and initiatives to enhance the provision of workforce development services, to increase involvement of the business community, including small and minority businesses, in workforce development activities, to increase private sector employment opportunities, and to ensure the economic health in and for the County of Imperial.

3.2 FUNCTIONAL RESPONSIBILITIES. It shall be the responsibility of the ICWDB to provide recommendations to the Supervisors, in discharging their task as the fiscal entity and grant recipient, regarding the use of available funding in ways that will most effectively satisfy the labor demand needs of the residents and business community of Imperial County, all as prescribed by the Act.

ARTICLE IV MEMBERS

4.1 APPOINTMENT. Members of the ICWDB shall be appointed by the Supervisors.

4.1.1 MEMBERSHIP. ICWDB membership shall be in accordance with WIOA Section 107(b).

4.1.2 BOARD MEMBERS NOT COUNTY EMPLOYEES. Although the ICWED has been designated by the Supervisors as a County department, ICWDB appointed members shall not be deemed County employees by virtue of such appointment.

4.2 TERMS OF MEMBERS. Membership terms shall be three years. Commencement of all terms shall be retroactive to the commencement of the ICWED Business Year, as defined below.

4.2.1 EXPIRATION OF MEMBERS TERMS. Upon completion of the three-year appointment, a ICWDB member may be reappointed by the Supervisors. "A member whose term has ended may continue to serve until reappointed or replaced by Supervisors."

4.2.2 RESIGNATION OF MEMBERS. Any member may resign at any time by giving written or verbal notice to the ICWDB Chair or ICWED Director.

Commented [VC2]: Added: "A member whose term has ended may continue to serve until reappointed or replaced by the Supervisors."

ARTICLE V MEETINGS

5.1 MEETINGS OF ICWDB MEMBERS. Meetings of the Members shall be called and conducted in accordance with this Article V.

5.2 FREQUENCY OF MEETINGS.

5.2.1 REGULAR MONTHLY MEETINGS. The ICWDB shall meet on a monthly basis, unless there are no action items for the ICWDB to consider.

5.2.2 SPECIAL MEETINGS. Special meetings may be held by the Chair of the ICWDB or at the written request of a majority of the Members of the ICWDB. Notice of special meetings shall be given pursuant to Government Code section 54956.

5.3 PLACE OF MEETINGS. Meetings of the Members shall be held at the principal office of the ICWDB or at such location designated by the Chair and approved by vote of a majority of the Members.

5.4 CONDUCT OF MEETINGS. The Chair of the ICWDB shall preside at all ICWDB meetings. In the absence of the Chair, the Vice Chair shall preside; and in the absence of both the Chair and Vice Chair, the Secretary shall preside. If the absence of all three named officers is anticipated, the Chair shall appoint a ICWDB member to preside at the meeting.

5.5 ADJOURNMENT FOR LACK OF QUORUM. A majority of the Members present at any meeting, whether or not a quorum is present, may adjourn any meeting to another time and place. Notice of adjournment shall be given pursuant to Government Code section 54955.

5.6 CONDUCT OF MEETINGS TO CONFORM TO BROWN ACT. All meetings of the ICWDB shall be conducted in accordance with the requirements of the Ralph M. Brown Act (Government Code Section 54950, et seq.) as amended.

ARTICLE VI TRANSACTION OF BUSINESS

6.1 VOTING. A quorum of the Members, present at any regular or special meeting of the membership shall be required to start the meeting of the ICWDB. Every act or decision done or made by a majority of the Members voting in the manner prescribed in this Article VI and present at a meeting duly held at which a quorum is present is the act of the ICWDB.

6.2 DETERMINATION OF QUORUM. The presence of a quorum of the Board for any Board meeting shall be determined by the Secretary at the outset of each meeting, based on the following:

6.2.1 DEFINITION OF QUORUM. The term "Quorum" as used in these Bylaws, shall be defined as the minimum number of members who must be present at a meeting for the transaction of business (majority fifty-one percent).

6.3 VOTING BY PROXY OR BY DESIGNATED REPRESENTATIVE PROHIBITED. No business of the ICWDB shall be conducted by use of proxies or by a representative of a voting member. All Members shall be present in order to effectively cast their votes.

ARTICLE VII VACANCIES

7.1 CIRCUMSTANCES. Vacancies on the ICWDB shall exist upon the death, disqualification, resignation, or removal of a Member.

7.2 MANNER OF FILLING VACANCIES. Vacancies on the ICWDB shall be filled by the Supervisors as prescribed in Section 4.1 in these Bylaws.

7.3 TERM OF MEMBERS APPOINTED TO FILL VACANCIES. The term of persons appointed to fill vacancies shall be the remainder of the term of the member whose position has become vacant.

ARTICLE VIII OFFICERS

8.1 NUMBER, QUALIFICATION AND TITLES. The Chair and Vice Chair of the ICWDB shall be ICWDB members from the private sector. The Secretary and all other officers shall be elected or appointed from any membership category.

8.1.1 CHAIR. The Chair shall preside at all board meetings, and is vested with such other duties and responsibilities as prescribed in these Bylaws, or as directed by majority vote of the Members of the ICWDB. The Chair shall be a member selected from the private sector, shall have served at least one year as an Executive Committee Member and shall have served for two years as a Board Member immediately preceding their election. The Chair by virtue of his or her position may attend any committee meeting and participate in committee discussions in an ex officio nonvoting capacity.

8.1.2 VICE CHAIR. The Vice Chair shall perform the duties of the Chair in the Chair's absence and shall have served for two years as a Board Member immediately preceding his/her election.

8.1.3 SECRETARY. The Secretary shall keep or cause to be kept, at the principal office or such other place as the Members may direct, a book of minutes of all meetings and actions of ICWDB. The Secretary shall give, or cause to be given notice of all meetings required by the Bylaws or by law to be given, and he or she, and shall have such other powers and perform such other duties as may be prescribed by the Chair, the ICWDB or by these Bylaws.

8.1.4 TREASURER. The treasurer shall be responsible for working closely with ICWED fiscal staff in order to develop, review, and provide monthly financial reports to the ICWDB and Executive Committee. The Treasurer shall have at least five years of experience working in financial management and shall have such other powers and perform such other duties as may be prescribed by the Chair, the ICWDB or by these Bylaws.

8.1.5 STANDING COMMITTEES. The ICWDB Chair, in collaboration with the ICWED Director, shall appoint standing committee Chairs and memberships.

8.1.6 IMMEDIATE PAST CHAIR. The Immediate Past Chair shall serve as a voting member of the Executive Committee, and, if appointed, may serve on any other committee as a regular member. The outgoing Chair shall serve as Immediate Past Chair for a one year term or so long as the then current Chair is in office.

8.2 TERM OF OFFICE, ELECTION, AND RESIGNATION OF OFFICERS. Officers of the ICWDB may serve up to three successive one year terms in the office to which they were elected coinciding with the first and last days of the Business Year (as defined in Article XI, below) for which they are elected. Any subordinate officers appointed by the ICWDB pursuant to this Article VIII shall hold office for such period, have such authority and perform such duties as may, from time to time, be determined by the Board. Nothing shall preclude a person otherwise qualified to be elected to additional terms so long as said terms are not more than three consecutive one year terms.

8.3 NOMINATION OF OFFICERS. Prior to the last ICWDB meeting of each Business Year, the incumbent officers shall develop a slate of nominees to fill the ICWDB offices for the succeeding Business Year.

8.4 ELECTION OF OFFICERS. At the last ICWDB meeting of each Business Year, the slate of nominees shall be presented to the Members. Any Member may present nominees from the floor. The Members shall then vote for one nominee for each office. The member with the highest number of votes shall be elected to the applicable office. In the event of a tie vote, the winner shall be determined by lot. *"If elections are not held at the end of the Business Year, all current Officers shall continue in their roles until elections are conducted at the first regular ICWDB meeting of the new Business Year."*

8.5 RESIGNATION OF OFFICERS. Any officer may resign at any time by giving written notice to the ICWDB Chair and/or ICWED Director.

8.6 REMOVAL. The ICWDB may make a recommendation, with justification, to the Board of Supervisors for removal of a ICWDB member for cause. The Board of Supervisors may, in its sole discretion, remove an ICWDB member with or without cause.

8.7 VACANCIES. Vacancies in any office because of death, resignation, removal, disqualification, or any other cause shall be filled in the manner prescribed in these Bylaws. When a vacancy occurs before a term is completed, the ICWDB may fill that vacancy with a new appointment by recommendation from the ICWDB to the Board of Supervisors for appointment. Appointments to fill vacancies on the ICWDB shall be for the remainder of the uncompleted term only.

ARTICLE IX COMMITTEES

5

Commented [VC3]: Added: "If elections are not held at the end of the Business Year, all current Officers shall continue in their roles until elections are conducted at the first regular ICWDB meeting of the new Business Year." 9.1 EXECUTIVE COMMITTEE. The Executive Committee shall consist of the officers, and all standing committee chairs, the immediate past chair and the ad hoc committee chairs. Ad hoc committee chairs shall be ex-officio, non-voting members of the Executive Committee whose membership shall terminate at such time as the Executive Committee has determined that the purpose for which the ad hoc committee was established has been achieved.

In the absence of a quorum at a general meeting of the WDB a quorum of the Executive Committee shall act on behalf of the board.

9.2 OTHER STANDING COMMITTEES. Standing Committees consist of the ICWDB Business and Planning Committee, ICWDB One Stop Policy Oversight Committee, the ICWDB Youth Committee, and the Budget and Finance Committee. Upon recommendation by the Chair or a majority of the Executive Committee and approval by the ICWDB, additional standing committees may be established or eliminated. The Executive Committee and Standing Committees shall have a minimum of five (5) and a maximum of seven (7) members. Standing committees may include non-ICWDB members provided that the majority of such committees shall consist of ICWDB members, unless otherwise determined at the time of establishment of such committees.

9.3 AD HOC COMMITTEES. The Chair, in collaboration with the ICWED Director, may appoint one or more ad hoc committees, whose membership shall consist of a minimum of three (3) members and a maximum of five (5) members. ICWDB members will serve as Chair and Vice-Chair. No action will be taken unless one ICWDB member is present. An Ad hoc committee's responsibility shall be limited to a specific task or activity. Ad hoc committees shall terminate at such time as the ad hoc committee has fulfilled its purposes, as determined by the Executive Committee.

9.4 COMMITTEE MEMBERS' TERMS. The term for Members serving on any standing committee other than the Executive Committee (whose committee seats are specific to their titles) shall terminate at the end of each Business Year. The terms of ad hoc committee members shall terminate upon termination of the committee by the Executive Committee. While this section prescribes the terms for all standing committee members other than the Executive Committee, committee members may be reappointed to one or more successive terms. "Members serving on any standing committee, except the Executive Committee (whose seats are tied to specific titles), shall continue their terms through each Business Year unless they request removal or become ineligible to serve on the committee. The terms of ad hoc committee members shall conclude when the committee is dissolved by the Executive Committee. While this section defines the terms for all standing committee members other than those on the Executive Committee, members may be reappointed to consecutive terms without a break in service."

9.5 REMOVAL OF COMMITTEE MEMBERS. Any committee member whose ICWDB membership is terminated for any reason defined in these Bylaws shall be automatically removed as a committee member and his or her term shall be completed by an existing ICWDB member, appointed by the Chair.

Commented [VC4]: Added: the ICWDB Budget and Finance Committee

Commented [VC5]: Added: Members serving on any standing committee, except the Executive Committee (whose seats are tied to specific titles), shall continue their terms through each Business Year unless they request removal or become ineligible to serve on the committee. The terms of ad hoc committee members shall conclude when the committee is dissolved by the Executive Committee. ARTICLE X ICWDB COUNCILS

10.1 OTHER COUNCILS. Subsequent councils shall be created as deemed necessary.

ARTICLE XI ICWDB BUSINESS YEAR

11.1 BUSINESS YEAR DEFINED. For all purposes, the time frame which shall apply to the twelve month period utilized by the ICWDB for transacting business ("Business Year") shall commence on July 1st and shall end on the following June 30th.

11.2 FIRST BUSINESS YEAR. The first Business Year of the ICWDB commenced on July 1, 2007.

ARTICLE XII AMENDMENTS

12.1 METHOD FOR AMENDING Bylaws. These Bylaws may be amended by majority vote of the Members of the ICWDB, subject to final approval by the Board of Supervisors.

CERTIFICATION

The foregoing revised Bylaws were approved by a majority vote of the Imperial County Workforce Development Board at its regular meeting held at 1250 Main Street, El Centro, California, on December 11, 2024, and is subject to final approval by the Imperial County Board of Supervisors.
